The New Face of IT Recruiting - Vestigo Staffing Brings Industry Experts to Work

In this challenging economic climate, Vestigo Staffing is helping its customers save time and money by using field experts to screen candidates and by taking the time to understand the inner operations and culture of client companies through its new Miami Office.

Miami, FL July 9th, 2009 -- Vestigo Staffing, a leading provider of IT consulting, recruiting and staffing services is announcing the opening of its Miami office.

Plans to develop operations in Miami, Florida were initiated by the growing role that Vestigo Staffing had within local client organizations in need of specialized technical personnel. The Miami office will focus on providing both local and national customers with the ability to have experts come in and evaluate project requirements and use expert-based interviews to carry out the recruiting process.

The downturn of the economy has changed the employment environment and, in an interesting shift, a plethora of highly qualified candidates that have been in the field for many years are looking for new positions. Companies can greatly benefit from this availability as well as reduce hiring costs such as insurance, benefits and HR time by utilizing a staffing company that specializes in fulfilling these tasks.

Miami is an epicenter of multicultural talent and Vestigo Staffing is confident in the exciting opportunities that are emerging in this market. For more information you can visit our website at <http://www.vestigostaffing.com>.
